The Premises:

Easy to find and very central. Nice location that is full of life and yet discreet. Parking dead easy or I could see metro 5mins away.

The Lady:

Drop dead gorgeous and a playboy bunny type with sophistication. Delisha is all that you see, being 5'6 or maybe more, a divine figure for a young lady with girlish feminine charms. It is hard to describe Delisha's best assets, the most perfect arse, amazing breasts, incredible tight tasty bits, with a face that makes you stop to pinch yourself to see if you are so lucky or just dreaming.

The Story:

Delisha has the most amazing way that is so cute, so sexy and an incredible experience. Normally I would think an EE girl looking so good cannot be so good at such a good rate; but Delisha is better than good, she is divinely delicious. A true honey with a honey pot to taste and savour that is rare and her services and manner are excellent. I have a big grin of the mischief we enjoyed and the pleasures I enjoyed and she then enjoyed, full on interaction and pleasure. I only regret I did not stay for longer or book her sooner as it was the most relaxed and satisfying and tasty experience I have had for a long time and it felt so good and Delisha tasted and felt like nectar. A mix between a PSE and a GFE as the moment and heat of that moment takes you or Delisha. She will easily satisfy you in every way and having left I was stunned, dazed and feeling so luck to be with and enjoy such a delicious young minx who enjoyed the same time and moment. I cannot wait to return and was hesitant to impart this review but Delishah is a stunningly gorgeous girl in every sense and in every part of her that can keep you entertained as you much as you want to enjoy. Dine well chaps but please treat her well as she deserves
