The Premises:

Reasonably easy to find in quiet residential area. Nice flat, used as a makeshift dungeon, all good.

The Lady:

Much more attractive than expected, and quite young which can be rare in Dommes. Curvy with fabulous large breasts

The Story:

There are usually 2 things lacking when I visit pro Dommes - 1. they aren't particularly young or attractive. And 2, despite me explaining the kind of scenario I'm after, they completely ignore my requests and end up doing their own set routine.

In both cases, Stella was absolutely fantastic. Firstly she IS young and attractive. And then the scenario was as I requested, but actually even better. I would say she would be perfect for a beginner, but also we did a few more advanced things (eg sounding) so would be great for advanced players.

The kind of themes we got up to included okn spanking, cbt with sounds, breast worship, prostate massage and "forced milking". Lots of talking around my fantasy - she really got into character!

All in all it was perhaps the best £200 I've ever spend on a Domme - and possibly the best £200 I've ever spent full stop!

Highly recommended.
