The Story:

Hot Sissy whom I have now seen three times is a real trooper, she enters into the meeting with enthusiasm, kissed me passionately, sucked me without condom and let me go down on her, She is not completely shaven but has a little tuft. At my age (70) it is difficult to find ladies willing to get involved meaningfully, but Sissy certainly enters into the occasion. Some would find her too thin, there is certainly not much of her, but she is quite tall for an oriental and I am certain I will return.
