The Premises:

Ego Massage is in a fantastic location with loads of free parking. The entrance is very discreet and the premises are very clean and always smell lovely. The receptionists are all very nice and make you feel at ease when they take you to your massage room with a drink of your choice.

The Lady:

Valentina is a beautiful lady in looks and personality. A very experienced masseuse who makes you feel very relaxed and you warm to her very quickly. She has an amazing body and wears some lovely underwear that is a pleasure to see come off. She is a 5'8" Brazilian beauty and I challenge you to find an ounce of fat on her!

The Story:

Valentina starts off giving a fantastic back, bum, leg and foot massage using lots of nicely scented oils to add to the experience. If I was not gagging to turn over I could easily go asleep as she totally relaxes you. Once on your back is where the real fun begins! She gives an amazing body to body massage teasing and ticking just the right amount until you can't take anymore! Without doubt my favourite masseuse anywhere so I can't praise her enough! So dont bother going to see her as she is all mine!
