The Lady:

Keira is super hot, like genuinely ridiculously hot. I have always had a thing for ginger girls but she was the first ginger escort I have ever booked. She is quite petite, small tits and smouldering looks.

The Story:

I had an unforgettable evening with Keira. From the moment she walked through the door I knew I'd struck gold. Incredibly classy and sophisticated she is a real lady. I think next time I will book her for 2 hours as 1 hour just wasn't enough.
