The Premises:

Very nice little parlour on an industrial estate. Easy to find, very clean, friendly and professional atmosphere.

The Lady:

Tall beauty with long hair, pointy boobs with lovely big nipples and a sexy exotic accent.

The Story:

Arrived at the parlour for my second visit, was greeted by friendly receptionist and offered refreshment which I declined. Was taken to a room with a comfy bed by skye. We started off with a nice massage and then proceeded on to aural. She has a fantastic technique, at the climax I was literally holding on to her the ride was so wild. I made some pretty passionate noises which is VERY unusual for me. We tried sex with her on top and doggy style with mixed results, but not for want of her trying and we sure as heck went through a few rubbers. All punctuated with lots of pleasant chat and gentle caressing. She really gave her all to me, and she has the distinction of being the first lady ever to make me come twice in a session. I am unable to see and don't hear too well, and Skye was very understanding and helpful. I'm the first to admit I'm a challenge, and she rose to it wonderfully. Thank you Skye, had a very lovely time.
