The Premises:

The well known block on Sloane Avenue, so easy to find, safe. Room was spacious, well kept and a lovely matching bed set covers to Annalisa's cheeky outfit!

The Lady:

I was blown away when Annalisa opened the door, she is every bit as stunning as the photos but has a lovely smile and very sexy eyes that only in the flesh make her a real fit young beauty. Annalisa is incredible and her body is simply amazing, perfect in all the right proportions to match a beautiful face Annalisa has a gorgeous young body that is perfectly formed. Natural but pert breasts and a great arse for a slender frame. No extra weight, she looks after herself well.

The Story:

Annalisa has a fantastic attitude and is very open minded, to both suggestions and taking the initiative. You can feast all you want and Annalisa really gets into it. Touch the buttons and you will taste her juices and they are like nectar. She performs incredibly well for such a young girl but really gets into it. An hour flew and should have made a longer booking. I hope she stays in London for a while. Highly recommend and treat her well gents and enjoy!
