The Premises:

A easily located apartment about 15 minutes walk from South Kensington tube. Clean tidy modern 2 bedroom flat which she shares with another girl

The Lady:

Firstly she's not exactly like the girl in the photographs, or at least she appears different in person. Arguably she's prettier in real life. About 5ft 9" tall, very slim, quite leggy with gorgeous hair. She is the epitome of the "girl next door" type. Soft smooth perfumed skin, a gorgeous bum. Delicious!

She is Romaninan with limited english, but she more than compensated with her bubbly personality.

The Story:

An amazing experience which left me walking on air. After having a couple of, shall we say somewhat disappointing encounters, this was excellent.

Anis is a very pretty girl. Young, fresh, charming, with a hint of sexy innocence, but knows how to make a man happy. It was a complete GFE from start to finish, she was very hands on, even FK which I love, Quickly undressed and into bed, no hesitation with requests I made.

It was so enjoyable having such a young willing sexy girl next to me. her oral skills were incredible and I cant say enough about how gorgeous she is. In simple terms I managed to come twice in less than 45 minutes without feeling rushed or pressured.

Highly recommended xxx
