The Premises:

A location near to MK shopping central. Good room, in a good block, in a good street. In short, good.

The Lady:

Just as the website ... but better. Lovely personality, lovely body -JUST GREAT. WGs have the luxury of being able to attend to their skin when they are not "working". It shows. So smooth, so firm, so... delicious! K is just a very nice lady who loves her job. It was great to spend time with her and explore the curves.

The Story:

Arrived, we chat about Northern Europe, relaxed and educational. Lovely body, great underwear but with so little time we needed to press on. K requests I get on the bed. Who am I to question her motives? We explore, we learn about any NO GO areas, we explore some more. It seems her body has some sensitive areas which should be treated with respect! Nipples to name but one. Back rubbing is OK and encouraged. I just loved this lady's body. As a result of my booking we needed to both reach a climax in 29 minutes. I achieved my task in 28 minutes and 30 seconds, K in about the same time... with a little help from a small electrical device. It was a fantastic 30 minutes culminating in me coming over her delightful chest with K encouraging me to do so. In short, a very accommodating lady who is just perfect for me. I will return because she is great. One word of warning... I think her mother is a shark as K has very sharp teeth. Thanks K. Soon.
