The Premises:

A flat in a central London location. Very easy to find and good communications with the helpful maid. It is clean and the bedroom was fit for purpose. I like the art work very seductive.

The Lady:

Ashley is very attractive her gorgeous skin and svelte body make for moments of admiring, She has a lively personality and engaged in conversation about all things and sexy things as well. Her height, glorious hair and red red lips make a dish worth savouring.

The Story:

I did savour stroking her skin from bum to neck. We lay on the bed and Ashley is confident and proactive, she stroked and massaged whilst her tongue tied with mine and I felt her lips. The kissing was excellent. My hands wandered over her breasts and down to a shaven pussy. She allows fingers to massage her tight wet pussy and makes noises of approval. I said '69' and my face was soon exploring a very tasty vagina and it was a sweet sensation. Ashley's bj is superb and I was in heaven as she licked and sucked me to a near climax and hard enough to fuck. So on with the condom and my cock was soon being massaged by the tight walls of her very warm cunt. Ashley is energetic and her fit body bounced on mine not so fit and I thrust into her. In my mind I was going to cum in her mouth and when these thoughts became a request so it came to pass. The last moments of the meeting were a delight as Ashley emptied my balls and continued to suck and lick. The snowball was received and I lay back a very happy boy. Ashley is very good at giving pleasure and she takes part with enthusiasm. I will watch the rota of HOD and visit again,
