### The Premises:

Plenty of safe parking , now costs 50p an hour. Safe area. Premises clean. Shower if you need it.

Main part of review would be a brief description of the punt, describing how I felt we got along, attitude, services, (without being too graphic). Ending with whether I enjoyed the punt and would I recommend / return.

"Gentleman never tells" is frustrating, BUT can still be of at least some use if the wg / premises etc is described, and if it's a genuine review of course -

### The Lady:

Very long dark hair. Lean body small but nice breasts. Fantastic bottom, small pert rounded, tasty. Dressed in matching black bra suspenders knickers and stockings. Very high heeled shoes. Pretty much as described on Annabellas web site.

### The Story:

I arrived early by a few minutes. I was shown to the room by a delightful young lady wearing a corset or bodice, anyway looking really very good and she offered me the option of a drink.

Room was fine as usual, plenty of clean towels and smelt fresh. I undressed and I waited. I heard other people coming and going and still no Michelle. I tried to be patient. I thought to myself, don't worry, they haven't forgotten you and Michelle is definitely worth the wait.

At 1224 Michelle enters the room carrying my orange juice. She smiles, I melt and then I tell her that she's a naughty girl being so late. Michelle continues to smile walks up to me, she french kisses me and says don't worry!

She asks me what I would like? I say everything and she says I think maybe your a naughty boy too. We kiss some more, tongues entwined and searching and then Michelle says I better say hello. Drops to her knees and takes me into her mouth. WOW, good and deep straight away, no messing plenty of tongue, mouth and head action. My balls are being licked, I'm in heaven.

After a few minutes Michelle pauses and suggests the bed. I suggest 69 and she smiles. The next 15 minutes were like a dream. This girl knows how to please and she worked wonders on me. I was

doing my best to reciprocate the favour and I can best describe myself as being like a dog that hadn't had a drink on a very hot day. God i lapped it up and Michelle's sweetness tasted so good I wish I could bottle it to savour on days when a visit isn't possible.

Michelle then rode me in a couple of positions so that I could feast upon her beauty and her lovely suckable nipples. I gripped her ass and knew I had to proceed to doggy. We got sorted out and then I just had to spank that naughty girls bottom. I was looking in the mirror and then just looking down at Michelle's face as it turned to the side on the pillow as I did my best to ram her into next week!!!!. Fuck this girl is good. We continued for a few minutes before returning to 69 and I asked Michelle to help the old boy along with its performance. She duly obliged and soon I felt as if I was being drained of every last drop I had to offer. Not until Michelle knew that I had finished did Michelle pull away and discreetly dispose of my load.

I think that there loads of fellows out there that have been keeping Michelle a secret but that just isn't fair. A lady that can make a man this happy deserves a report that reflects her endeavour and fantastic service. She really is something special. I don't write many reports, when I do it's because the lady was special and has earnt my respect and time. Chloe, Ruby and Michelle are all quite different but each of them has something that makes them stand out and be really quite special. Customer service that's better than John Lewis. Selfridges or Harrods. I've probably shot myself in the foot as it will be more difficult to book an appointment but having been let down on many occasions I'm learning that Annabellas and the House of D crew really are quite special and I will continue to attend their premises for as long as they consent to me attending.

Thank you Michelle. You made me very happy. Next time I want to follow you upstairs instead of down so that I can watch the beautiful bottom as it shimmies up each flight of stairs. Better than the 7 wonders of the world!!!!

I'm still licking my lips as I write this report and I feel horny as hell as I picture Michelle. This is one special lady. Please treat her with respect
