The Premises:

A suburban semi, on a reasonably busy road in Slough. Easy to park nearby, and the area feels safe enough and you feel anonymous and unnoticed walking to the front door. I used to be a fairly regular visitor here at some point a few years ago, but I hadn't been back in a long time. I'm glad to say that the house has been redecorated, and the 2 bedrooms are now much more modern and pleasant, especially the front room.

The Lady:

The website says she's 23, but she's actually got to be closer to 30. However this is much better for me. I hate the term MILF, but in spite of the fact I didn't see any stretch marks on her belly, so I'm confident she hasn't had any children, I'd say she's probably the archetypal MILF. I hope she's not offended by that description. I found her just perfect, and MILF's are getting younger every day though anyway!

She has beautiful natural brunette hair down to her waist, and she has a slight frame, but is beautifully curvy. Her bottom was absolutely perfect :) She also has some really elegant body art, and not too much either. Finally, she's terrific looking, and had a lovely welcoming way about her, and was happy to have a laugh during the session, which is always good.

The Story:

I had no idea when I decided to visit this old haunt of mine, that I would see the lady who had been my favourite, when I regularly visited. This was about 4 or 5 years ago. So it was a wonderful surprise, although I didn't immediately realise, as I was too busy being blown away by her sexy charm.

We kicked it off with loads of light touching, while gently snogging. I love it when a lady gently discovers my balls and cock while snogging, and Anna was happy to start off just like that, it was like she read my mind. Eventually we got down to some very enjoyable oral, and the sight of this stunning woman going down on me was top class. It was very much of the GFE style, with lots of

eye contact, but not too wet and sloppy, which I do love, but excellent nonetheless. I had discussed with her beforehand that I like 69 very much, and I was pleased at her enthusiastic reaction, so without much delay we got straight down to it. I enjoy this very much, and I was delighted to be reacquainted with Anna's extremely nice bits down there. I was in Heaven, and I could have spent the entire session enjoying her very nice clitoris and vagina. She seemed to enjoy it too, and rewarded me with an orgasm, followed by a kiss on my chap, and a lovely happy snog with a smile on her face.

After that we spent the rest of the session locked together in missionary, enjoying each other's expressions of pleasure and snogging. She finished me off on her tits.

A thoroughly excellent punt. Although I've no plans to be in the area again anytime soon, I'm already thinking about how I can visit Slough on a Friday again some time.
