Nina is a curvy Anglo-Indian girl with a a cheeky smile and intelligent banter.

The Story:

Thursdays at Debbie's means Nina or Melissa, and I think things can get busy. When I rang at the start of the day, they were both stuck in traffic, with customers waiting. That's the sort of situation Debbie handles perfectly, and by the time I showed up, the place was relaxed. I was the only man there and had my choice.

A quick introduction to both Nina and Melissa, and I could have gone with either - or apparently both. Nina took my fancy, but I hope to meet Melissa another time.

I had the house special, starting with a shower with Nina, and going on to sex in plenty of variety. What stood out? Nina is eager to please, and we moved very naturally through oral and covered sex with no rush and plenty of options to make sure I got exactly what I wanted. I'd happily spend more time with her.
