### The Story:

This was my first visit to an escort. I was very nervous, but Aylin is really nice and friendly. It was great to see a naked girl looking that good. She offered me a shower, and when I stepped out she took off her bra and I could even touch one of her breasts. I then had a nice massage, but couldn't get it up to do more serious stuff. She was very understanding. I hope to see her again, next time being able to have sex with her.
