The Story:

Rose, otherwise known by me as Emerson (Emma). Account failures required a new profile. Rose(Emma) is always welcoming with a sexy smile and hugs and kisses and dressed as requested when I remember to ask, though I have never been disappointed. We know each other well and I have been visiting for several years. Our times are always enjoyable, very sexy and getting hotter each time; maybe as were getting to know each others likes?. I enjoy a GFE, that's always what I get, lots of kissing and cuddling and making it up as we go along. That's about all the detail I will offer suffice to say we enjoy naughty adult activities together and Emma is a very sexy and responsive lady who enjoys her vocation and my efforts it seems ;-). Emma comes highly recommended, well worth a visit or two or maybe more, Ive lost count> :-)
