The Premises:

Clean environment, neighbourhood is very good, quite close to the station, felt very comfortable within the premises.

The Lady:

Linda is a very beautiful and gorgeous lady with the most naughtiest personality. her laugh and smile will make you want to stay longer and she has a great sense of humour. she also looks much more better in real life than her pics on her site, she is defiantly worth going to.

The Story:

as i entered i was very nervous as it was my first time. However Linda made me feel welcome and within a few seconds i felt as if i was at home.

We started the experience off with her giving me a massage and some light flogging. i then returned the favour and gave Linda some good hard hand spanking too for good measures. she then got me over her knee and started spanking me again while at the same time i flogged her back. i then told Linda to tied me to the bed and have her sit on my face whilst i eat out her pussy.. and im telling you linda has an amazing pussy and it tastes so great, especially when shes cum.

we then 69, and she rode my cock. she also even had a good bit of my nipples for good measures. after she untied me and we fucked in many positions and Linda will make you sweat, she knows exactly whats shes doing and you wouldn't want to stop fucking her.

overall the experience was great and i would recommend Linda a lot. if you know whats good for you pick up the phone and call her now!
