Clean, well appointed location in the heart of the West End. Lovely apartment.

The Lady:

Jaw-droppingly beautiful. Lithe, svelte, slinky body. Dark blonde hair with a hint of auburn. Beautiful girl.

The Story:

Alex was in a stunning latex dress that emphasized every inch of her incredible figure. She was very friendly and relaxed and we had a great introductory chat before selecting the implements that we wanted to use throughout our switch session. We started with Alex across my knee for a good hard hand spanking on her beautiful latex-clad behind before switching over to me being on the receiving end. I asked her to skip any warm up and just hit me very, very hard. That's just what she did, with great accuracy and power.

What followed was 90 minutes of one of the most intense erotic experiences I have ever had.

Alex is very special. You should all avoid her so I can have her all to myself!
