The Premises:

Nice studio flat. She was a bit paranoid about the neighbours. But everything was cool

The Lady:

Tall and slim. Good looking with enhanced breasts which were ok without being great.

The Story:

Tilly is a very happy go lucky woman. She makes you feel an ease and is very eager to find out what you want.

Tilly does everything but not A level. She sucks and licks well and can deepthroat with ease. Sex was great and she likes to finger your arse.

I think she has a submissive side.

Lots of fun.
