The Lady:

Called agency and got them to send Vicky to my hotel. She is very tall so the website is accurate. I found her very pretty and her breasts are just the right size. I appreciate they were natural which makes a change. I hope she does not swap them for fake ones.

The Story:

Vicky is so much fun. She comes across as someone who wants to please your every need.

She sucks well in OWO and deep. I love how she massaged my balls as she sucked. 69 was great and sex was nice and vocal. Taking her doggy is amazing and I didnt last long.

I found Vicky to be very interesting outside the sex action. She took her time through the booking and over ran the time slightly. She is definitely a GFE with a hint of a bad girl underneath.

Hope to see her again.
