The Premises:

Nice small clean house in Central Wimbledon, parking on street payable or at Morrisons supermarket payable, also short walk from Wimbledon station.

The Lady:

In my opinion very attractive Hungarian young lady, about 5'3", size 12, long dark hair, small breasts but her whole body is smooth as silk. Photos on AW profile spot on, aged 31, non smoker, very fresh & presentable every time. I've seen Eve at least a dozen times as I find her that lovely.

Her English is not great but we chat & it's not a problem.

The Story:

Eve does a great massage & HE if required but of late I've got into the habit of massaging her which she seems to love which progresses to me 'tasting her' & she tastes superb, it often results in her having a great orgasm, Eve is very giving & her oral skills are second to none more like cock worship!

This visit as always ran naturally & after mutual massage, reverse oral & slow sensual intercourse we lay together in each other's arms kissing.

Shower is available before & after & the house & room is spotless, when you enter the property you are asked to take your shoes off. When in the room Eve always brings me a glass of cold water with sliced lemon.

I've seen Eve for over a year now, she stays in the UK about three weeks then returns home for same time then back again etc. I'm an older guy & I could not ask for a more gentle, soft, giving lady, I love every minute with her, the perfect GFE.

As always thank you Eve & hope to see you many more times.
