The Premises:

New premise I haven't been to before. Loads of cheap parking around, quiet area. Very spacious room, not quite the highest Annabellas standards but still nice and clean. Decent shower facilities.

The Lady:

Kathleen - Amazing body, such smooth skin, lovely features. She would turn heads if walking down a street. Good english too.

Daisy - Sexy girl next door, cute, curvy, talkative and very confident.

The Story:

I thought i would make use of the duo discount Annabella's had put on. I had originally booked to see Daisy and Dahlia but the booking got messed up as they were in a different location. Daisy however took it upon herself to rearrange for another girl, since i am a regular with her so she recommended Kathleen, and wow what a recommendation that was!! Kathleen walked in half naked and i almost fell over. She had a gorgeous beach body and was so friendly. Daisy was a legend as always, suggesting positions to try. Both girls were very interactive and willing to try almost anything. The time went way too quick and i felt like i was in heaven. Seeing Daisy or Kathleen as a single booking is fantastic enough, but sharing them both was even better. Highly recommended both girls!!
