The Lady:

Looked like she'd woken up with a start and put her make up on with a blunderbuss. Average body. Average looks.

The Story:

Terrible all told. This was my Plan D after not being able to reach my first three choices, but I got hold of Sandy on the first attempt. I arranged it at relatively short notice - giving her 45 minutes to prepare for our meet. She later revealed that my call had woken her up (just before noon) and she looked really unprepared when I arrived.

The apartment was messy, she had a glob of eye bogey in one eye and her lipstick was all full of lumps and not neatly or evenly applied.

The service was awful. Suffice it to say I left as soon as I could, probably after 10 minutes of a 30 minute booking, because I felt absolutely no effort or warmth from her whatsoever. It was an utterly disappointing encounter and I would advise others to steer clear. Plenty of better girls near by. Even a wank is more appealing than seeing her again.
