The Lady:

As per the website. Elegant and beautiful. She is also friendly and warm and makes you happy to be with her.

The Story:

Angel appeared wearing a pink bikini and looking gorgeous. She kissed FK which was just heaven. She asked me what I wanted and I told her I wanted to explore her beautiful body and have oral performed on me. She seemed perfectly happy to oblige. Angel didn't seem to be a fan of performing oral as she kept wiping away the pre-cum with a wet wipe and then put a condom on it before continuing to suck. I'm summarising a bit there but the distraction of this rather put me off somewhat, and I struggled to perform. She was lovely about it though and tried her best within what she was prepared to do. She finished me by hand, needless to say. Angel is beautiful and lovely to be with so if sex is your main course, she's probably great. If you want great OWO, well, it didn't happen for me.
