**Duration of Visit:** 1 Hours

**Amount Paid:** 130

**Recommended:** Yes

### Details of Service Provider:

**Profile Name:** House of Divine

**Website:** <http://www.houseofdivine.com>

**Phone:** 02035890126

**Phone:** 07725740234

### The Premises:

House of Divine's North London location, clean, safe, great transport links. Was offered refreshments and a shower. Took both. Decent towels...

### The Lady:

I had seen Lila-Rose online and she looks great in photo's but I thought she was sexier in real life. Real twinkle in her eyes. Cute London accent. Medium height, very big breasts, curvy but in the best possible sense. Was wearing one of highest pairs of heels ever seen. Interesting Lingerie which showed off her figure perfectly. Few tattoo's but they're artistic and I think suit her perfectly.

### The Story:

Having missed Lila in Milton Keynes I was excited to see her in London.

Arrived, showered, had cold drink and sorted out the paperwork.

Lila came in and kissed me hard on mouth and let her hands roam encouraging me to do likewise. She pulled towel off quickly and made all the right compliments and noises about body - thanks boy need's ego boosted.

Bit of oral on her, tasted sweet and seemed receptive to my tongue, was noisy but didn't feel faked. She returned the favour which was Oral with which I normally hate. But, frankly I couldn't tell difference. Hand's playing with balls and tongue expertly teasing me. Got me very close to popping but stopped and teased which was just what I needed.

Moved onto her getting on top and grinding my cock, knowing how to tease me when she felt I was close to cumming. Also was receptive to me taking charge in parts. Doggy and missionary followed. All excellent.

Eventually I couldn't take any more and came very hard.

Rested for a bit with her teasing me and bringing me back to life. Round two was even better.

I've been punting for a long time, seen hundred's of girls and Lila is best for sheer fun i've seen this year. Will happily return when she's next in london.
