The Premises:

An upstairs flat on the New Cross Road about 5 minutes walk from New Cross Gate station. The entrance wasn't too discreet and the flat was small and very dirty. I think the other, cleaner bedroom was occupied.

The Lady:

A slim, curvy East European girl with 34A breasts. Not bad looking, but not very good teeth.

The Story:

Being a really stuffy room I decided to just enjoy the uncovered oral and follow that up with breast relief. Rather difficult given Maria being a 34A, but with a bit of help from her hand I managed to come over them.

Maria was very brusque, but accommodating. I guess the flat is shared by other girls and I'd wager the other bedroom is better.
