### The Premises:

Time and time again been reported on, excellent location and décor, nothing more to add. Just shame we had one of those beds with a frame at the end, it make RO hard to perform.

### The Lady:

Reported on Gemma before when I had a threesome with her and Aylin. Beautiful slim Romanian light skinned brunette with well proportioned body and lovely responsive nipples when they are sucked or touched lightly.

### The Story:

As mentioned above, I had visited Gemma before in a threesome with Aylin. I had a wonderful time with both of them together and wanted to try them both separately when I had time and could afford it. Sorry, this report is really late, I wrote a report at the time but when I hit submit my session had timed out and lost all I wrote! So I gave up at that evening, then forgot to write her a report afterwards until now. There was a discount on at MKE in which was £20 off 45 minute appointments during April. Pretty good deal, couldn't really afford it but couldn't give up this opportunity to visit Gemma so what the hell, credit card bills will have to wait a bit longer. ;)

I asked her if she remembered me from before, she said sort of, she wasn't too sure, something about my face was familiar. Well at least she was honest and it was several months ago and only for 30 minutes so cant blame her if she didnt remember me, but she left an impression on me (as did Aylin).

As with last time, there was some nice light French Kissing, not DFK, but it was very enjoyable to kiss a beautiful young slim girl like Gemma with quite a bit of light tongue touching thrown in. Some people say this is the real French kissing, not DFK where you try and stick your tongue down someone's throat. I also had more time to admire her tasteful tattoos on this punt as I had her all to myself. After getting on the bed I continued to kiss her up and down her body including her beautiful sized breasts and her neck, which she seemed to enjoy. Some more kissing on the lips thrown in before she performed excellent OWO on me with lots of licking of my balls included. I asked if she liked my shaven haven, she said she did and usually she wouldn't perform oral with as much passion with someone who has not shaved, especially no ball licking. Lesson for you guys, keep

yourself trim, neat and hygienic and you'll get a better service from all escorts. :)

Its hard to recall all details as this was a few months back, but I think we did some cowgirl next. She is very slim so you can imagine how tight she is, I think her technique had improved since last time too. Last time I performed doggy on her to finish off so this time I moved on to some missionary to finish off. I then returned the favour and asked if I could perform some RO on her which she seemed to enjoyed.

Still time left but not enough for round two so we chatted closely laying together on the bed as I carressed her body to get to know each other a bit more. This time I got to talk with Gemma a bit more than before. The best advantage on one on one vs threesomes is getting to know the girl more. We chatted about my job and how I wanted to move back to London and get paid more like I used to and she said next time I see you want to hear that you have a job back in London and are earning more money. :)

I hope so too but its hard to move cities to get a job, interviews cause problems and too many sick days etc and not enough time to book holidays to go to them and people get suspicious when you take too many sick days out of the blue.
