The Premises:

Cosy, clean flat near Gloucester Road complete with cute little dog. You have to do this thing where she meets you at a nearby location then takes you there - sort of 'third man'-ish, but i didn't mind.

The Lady:

Gorgeous, tall brunette with a fabulous toned figure.

The Story:

After all the usual formalities and general chit-chat there was some really great kissing; some of the best i have experienced. Then some extended oral which she appreciated before returning the compliment. We then moved on slow sultry sex in various position. With her dusky boudoir lighting and entrancing music the whole experience had an exotic, erotic, feel about it. I enjoyed for sure.

Tilly is an energetic, personable lass with a lovely warm natured charm about her. Very chatty and wholly engaging. If i was in the UK more often i would definitely see again.
