Fit as a fiddle, as the website says, legs and ass to die for , long dark hair and very fit, quite pretty

The Story:

Agreed fee on phone and when I got there OWO was £10 extra, slightly jarred but I really fancied having this girls tongue around my knob. Reasonable massage and then the oral was superb, any way on with the mac and a great shag. Then she got up and started getting dressed , I said what happened to the hour and she said once you come that's it, then she said it was on the website which it isn't, I checked after. I felt this was a rip off and told her if I kenw this I would have had a half hour session, she said it was normal practice amongst her friends, I would avoid them too. She offered me some money back which I accepted. great shag bad service. She also smelt of booze and I have the feeling it could have turned nasty. English girl too, thought i had found a good berth with a good looking women, the search continues
