Innocent looking, but I was very wrong.

The Story:

Where do I start? I moved away from Sheffield a couple of days after this, so I of course had to go out with a bang. I decided to have an appointment with Rio, Layla AND Stacey for a half an hour fuck fest. It was very tempting to have Cindy as well. But she was busy.

Up to the VIP room I went, had a shower, and awaited the girls. It began with a gentle massage from all of the girls, and lots of giggling between us. Stacey then began to give me a spectacular blow job, whilst Rio and Layla began kissing, and I thought I was going to blow my load within a few minutes. Rio and Layla both then took my cock off Stacey, and began to suck it dry at the same time, whilst looking into my eyes and playing with my balls. Meanwhile, I was finger lasting Stacey, and my mouth was full of her gigantic titties, Stacey then climbed onto my cock and rode me as if her life depended on it. Rio was next to me, wriggling that fine ass of hers, I was somehow still hanging in there, and it wasn't before long that I'd made Stacey cum.

Next was Rio, she was eating Layla out at the other end of the bed, and I started plowing Rio from behind, what a beautiful pussy. She also made Layla cum. As much as I didn't want to, I had to pull out to avoid finishing. Layla and Rio then switched places, and I began to plow Layla, while Stacey was to the side, masturbating.

Somehow, I'd managed to last about 20 minutes, I pulled my throbbing cock out of Layla and shot my load all over Rio's beautiful titties, which I preceded to rub in. It began to wind down and I wasn't rushed, we all chatted a bit.

It was a fucking awesome experience and I could've happily done it all day, the girls were great and were very into it, so I didn't feel uncomfortable or awkward in the slightest, possibly the most

comfortable I've ever felt at a place like this. Although this was by far the best punt I've ever had, I would've liked to have had more time with each girl individually, especially Layla as I feel I neglected her a little.

If you ever get the chance, or have the money spare, I 100% recommend doing something like this. I felt like a pornstar,
