The Premises:

I visited Adela at her home on this occasion which was easy to find, discreet and safe.

I have also visited Adela when she first started with Judy and was on tour at a Hotel in High Wycombe

The Lady:

The photos on Judys web site are accurate however to appreciate Adela's true beauty you have you meet her for real ! She is a very attractive young looking lady !

The Story:

110% positive experience like all of the ladies i have met via Judy Adela is pure class ! I have met with Adela a few times now, she is new to the industry however not new to naughtiness. On Judys web site it says she is in the 50's age category i think Adela could quite easily get away with being in the naught 40's age category. Adela has a wonderful bottom which is fabulous to look at while walking behind her up the stairs to the boudoir... and is equally as nice to grab hold of and squeeze gently when stood and passionately kissing- I love kissing and Adela does this very well ! other highlights too look out for gents include Adela's fantastic nipples they are very responsive! Adela is a very intelligent classy, elegant and super sexy lady ! If your thinking about seeing her don't delay and call Judy today !- i can assure you it will be one of the best decisions you have taken. Adela if you are reading this I wish I had done what we discussed just before i left our last meeting !!! Finally a Thank you to Judy who provides a fantastic service- discretion is an absolute must for me I tend to stick to seeing the same select few ladies i know however Judy provides a 1st class, safe, friendly and reliable service which in my experience is difficult to acquire in this industry- I would have no hesitation in seeing any of the ladies on Judy's web site.
