The Premises:

Lovely, spotlessly clean, spacious, comfortable flat, a couple of minutes walk from Russell Square tube station. Standard size double bedroom. All perfectly safe and discrete. Easy to find, accessible by numerous bus and tube routes. Great location.

The Lady:

Lana is amazing! A very pretty, sweet girl, with an exceptionally cute personality and demeanour. Absolutely fabulous body, sensational arse and legs! My GOD, what a body! She's enhanced, which I'm not really a fan of, but in Lana's case they're reasonably well done, and her service is so great anyway that it's completely irrelevant. Speaks English well for a London TG, so communication and conversation are excellent. Without question she is the same girl in the pictures. She says she is 30/31 years old, but she could very easily pass for early 20s. She's around 5'2", about average for TGs.

The Story:

I had a really great time with Lana. Having had a truly dire run of disappointing punts all through 2014, it's just a wonderful feeling to finally experience some excellent ones again. (I've also been having a tremendous time with Lana's good mate Ruby/Charm/SweetRuby lately, and I've just recently did a review for her).

Lana is great. I've seen her a couple of times now and both were very good. Special mention must be made about her OWO, which is outstanding. Seriously outstanding! Her kissing is also of a very high quality, exceptionally good, as is her assisted shower. Sex in numerous different positions, and nothing is too much trouble for her. I would rate Lana as one of the very best Thai WGs in London at the moment. And while that's not saying much, considering the current state of affairs, Lana is exceedingly good.

If I was being REALLY picky, Lana doesn't do pampering, at least not with me. She doesn't do the whole undressing me at the beginning, dressing me at the end, taking the towel from me after the shower and drying me from head to toe etc. like her mate Ruby does (Ruby even insists on putting on my socks and tying my shoes for me at the end!). Lana just sits on the bed playing with her iPhone while I dry and dress myself, so I don't get her undivided attention for the whole time. Also,

Lana can be a teensy bit of a clock watcher. But having said that, it really is just a minor quibble considering how great her service is in all other departments. And she's a genuinely nice person as well. And an absolute pleasure to spend time with. And that body..... That body..... I can't wait to see her again next weekend. Happy days.
