The Premises:

The ground floor apartment very close to the shopping centre quite close to Next. The venue was clean and tidy, but may need a refurbishment, it is starting to look slightly dated.

The Lady:

Izabel is around 5ft 5", black with blonde highlights hair, strikingly pretty. She is Polish / Italian descent which gives her smoldering look, she was wearing a very sexy black one piece that accentuated her shapely breasts and amazing bum and some black high heels.

The Story:

I have seen Izabel on number of occasions and each time seems to get better, I'm amazed that she doesn't have a huge number of reviews, I have seen girls that had a vast collection of reviews that are nowhere near as lovely as Izabel. She almost bounded (bang on time) into the room and greeted me very warmly, as previously reported she kisses like her life depends on it. The tone was set immediately when she told me that I was to be her sex slave for the next hour with lots of kissing and mutual undressing in front of the full length mirror, something that she seems to enjoy. The RO was amazing which soon led to a 69 and onto a very satisfying sex in many positions, culminating in doggie in front of the mirror. I just wish I had more stamina for this lady, she could make a statue cum! An amazing hour yet again, I just need to one day pluck up the courage and have a threesome with Izabel and another one of the lovely Annabellas ladies!

Thank you Izabel x
