The Premises:

Good parking nearby, but not free. Neighbourhood felt safe. Busy part of Bristol. Flat was clean, minimally furnished however.

The Lady:

A bit plain. Slim body. Hadn't made a huge effort with outfit and underwear seemed a bit worn and didn't match. I'd say her vital statistics on AW, including age, are about accurate.

The Story:

Nice enough girl, but far too chatty for my liking. Some may enjoy it, and I certainly appreciate making small talk with the lovely ladies I meet, but this was too much. She stopped at one point mid-oral sex to talk about some random stuff she'd mentioned earlier. Bit of a turn off.

Blowjob was functional otherwise. Sex was protected, of course, in missionary and doggy. I requested cowgirl, but she claimed to be sore in that position. I came during sex.

I wouldn't return, but she's a nice enough girl with a pretty good body. Way to talkative and very vanilla services.
