### The Premises:

as described before, clean and safe

### The Lady:

see her photos, completely accurate! Very tall in heels, but when she took them off she was only about an inch taller than me (I'm 5ft 8).

### The Story:

Elizabeth is an exceptional lady, a little quiet and laid back perhaps, but that's fine with me. English is very good so you can have a good chat with her. Superb breasts ( and she thinks they are too small!). I told her they were perfect, and they are. Very good OWO, had to hold myself back because I wanted to fuck this lady. Really tight pussy, was able to delay the inevitable a little but then could no more. Her first time in London and so I hope she will return, I certainly will to see her if she does. Very nice kisser, not DFK, but enough for me.
