The Premises:

Small parlour in a converted house. On a main road but has a discrete back entrance and a free car park at the back. Inside it was clean and quite nice. Better than I expected.

The Lady:

Around mid 30s as a guess. About 5 feet 6 inches, slim with perky natural tits, shaven pussy, no tattoos and short hair with blonde highlights. I guess you'd call her a 'girl next door' type.

The Story:

I had pre-booked to see Chantelle the day before, but I stupidly failed to call on the day to check if she'd shown up for work. Unfortunately she hadn't turned up, so instead of doing the sensible thing and walking away, I decided to give Bethany a go as she was available. Bethany is a lovely chatty lady who made me feel very at ease in the room, but her service wasn't the best. She started with a massage which involved her moving her fingers lightly up and down my back. Turning over she went straight to oral (without); kissing wasn't offered and I got the impression it wasn't something she likes doing. After a lukewarm blowjob, I offered to give her oral, which she seemed to like the idea of. However, whilst I was licking her she made absolutely no noise at all; I had to look up at her face to make sure she wasn't asleep. After a couple of minutes of this, with no reaction at all from Bethany, I decided to rubber up and fuck her. Mish, cowgirl, spoons and more mish were sampled and Bethany made little or no noise during the whole experience. I eventually shot my load by thinking about another girl I usually see and then got the hell out of there. I still want to sample Chantelle, but this has taught me a couple of lessons: always ring on the day to check the girl has shown up, and if your preferred lady is unavailable, walk away.
