### The Premises:

At your service is discrete, there is a small archway to walk into/under to get to the door, once inside you are greeted with a nicely decorated spacious building. There are multiple bedrooms and nearly all have built in showers and fresh towels. Toilet upstairs with a bath tub as well. Clean and nicely decorated rooms. For me the parking is a nightmare, there isn't any. Seriously. There are places where you COULD park but might come back to a clamp, the only place I could find to park is opposite the library and I was nervous even then as it is time restricted (no return within 1 hour) etc etc. I have been here a couple of times and find the best way is to park a couple of miles away at Selly Oak train station (massive free car park) and catch the train 1 stop down to Bournville. From Bournville it's a couple of minutes walk to the house.

### The Lady:

Vanessa is lovely, 21 and petite, size six. Lovely naturally brown hair and brown eyes, Romanian. Several girls on (3) but she was the best, cheeky dirty grin. Nice breasts large nipples, soft soft lips and small hands, cute east European accent. Obviously experienced, enjoys her work.

### The Story:

£35 is about as cheap as I can ever remember a punt being. I am always suspect of cheap prices as I always think you get what you pay for. Vanessa earned her money several times over, a light tickly massage to start, lots of kissing and stroking, tweaking of nipples - mine and hers etc etc. The time flew by and by the time I was ready to blow my load I had wilted. NOT VANESSA'S FAULT! simply too tired had a late night. I was happy but Vanessa was not, she looked at my flaccid cock and scowled. Not happy she took me in hand and tugged it back to life and on to completion, smiling she said "All better now!". I found this quite remarkable as before when this has happened the lady has took this as a sign as 'game over' and exited the room regardless of any time remaining. Therefore to have a woman wanting to get me to complete for £35 is quite remarkable. She stayed in the room for the full 30 minutes as well. I was impressed to say the least. I will be back soon! Vanessa is hot stuff and at £35 a real bargain, just a shame about the parking!
