The Story:

Well not sure where to start.

As soon as she walked in she made me at ease with a lovely DFK. She enjoys DFK so do I and that was great.

It was raining so I was a bit wet but she slowly removed the clothes and told her I want to enjoy and relax.

She gave me a lovely massage to start with followed by an am amazing session of kissing licking sucking. Best thing I experience for the first time was when she went down on me and licked everywhere almost fucking. She said she is naughty and she is.

Absolutely down to earth lady and will do everything to make you happy.

I still think 45mins was not enough.

Thank you Foxy for a wonderful time. You made my day.

Guess what I am coming back soon babes.
