The Premises:

I did not use the shower. Carpet was fairly old. I'd give the place 4/10. It wasn't filthy, mind you, but was worn and somewhat tattered.

The Lady:

Gorgeous, average height, hungarian, 20 years old. Endearing smile.

By far the prettiest working girl I've seen for £60 in London (at least from Adultwork).

The Story:

She scammed me big time.

After taking my money she made out that I was too big, which is bullshit. I'm pretty sure my girth is average, my length is barely 6 inches. She is average height too. She didn't even try entry.

She was sweet and I did have a little fun with her from a conversational level, as even though I knew I was being scammed I did not want to grant her free time to make more money and I still wanted to have as much fun as I could.

So all I got was head and a handjob. Head = 3/10, handjob = 7/10.

Avoid this lady at all costs.
