The Premises:

Smart, clean house in a rather downmarket area. Her room was very clean and airy. Wasn't offered a shower, but the shower room looked alright. I went by public transport and her place is very near to an underground and main line station. Parking could be, I would think, a bit of a problem during the day.

The Lady:

A beautiful Hungarian Lady, immaculately dressed with a great figure. I am not sure but her breasts could well be enhanced. If they were then the work were done very well.

The Story:

Initially contacted the Lady through Adultwork and informed her that I was an old guy. She replied to the effect that she was o.k. with that and I booked the appointment approx. 6 days before hand. She told me that she was very near to an underground station and gave me the name of the station. On the day I phoned her approx. 2 hours beforehand to confirm that I was on my way and suggested she might text me her address. My appointment was at 1 o'clock and by 12.30 I had not received her address. I phoned her number which was engaged and left a message to the effect that I was still awaiting her address. At 1 minute before 1pm I received a text with her address. It was a very hot day and I rushed round to her address as soon as I could although the neighbourhood was not known to me. I arrived at her house at approx. 1.12, she opened the door and showed me to her room when I handed over the cash and a box of chocs. I had brought with me. I enquired as to whether, as a matter of personal hygiene, I could at least wash my hands(I wasn't offered a shower) and she showed me her bathroom and waited outside and then took me back to her room. By this time it was nearly 1.20 and, at 1.55 she got up from the bed and said "sorry Jack, it's 1 o'clock. It most certainly wasn't and it was apparent that the hour appointment had, in her mind, commenced at 1pm. How this was possible I really do not know, bearing in mind that she only gave me her address at 1 minute to one! The actual service she provided was quite good but I hate being rushed and cheated for time. If you pay for an hour you expect an hour, not 40 minutes. Great pity because she is a very attractive Lady who provides quite a good service. Perhaps she doesn't like old guys; if so she should have said so!! Obviously I won't be returning, not that she would want me to. Incidentally she has 90 positives on her adult work profile. No bad reviews but I understand that Lady's on A.W. have the right for reviews not to be published if they so wish. What a load of rubbish!!
