Very very pretty blonde, Brit, reportedly late 20s though looks several years younger, petite in height, slim build, fully shaved, very large enhanced breasts, several tattoos.

The Story:

Lucy went straight on the must see list after I first saw and was captivated by her photos many months ago but I hadn't been able to synchronise our respective availabilities until recently. It was well worth the wait as she was even prettier than I had expected and her service was up there in the higher echelons of the premier league of incall providers.

As always, I was after a gfe and she proved herself to be a most enthusiastic partner who dfk'd passionately. This activity took up most of our time together but we managed to also slot in owo, ro, frottage, fingering, fj, cowgirl, missionary before culminating with cim. And what a climax it was.

Lucy's has now gone onto my must see again list as once was not enough with her. I will strongly recommend her to others looking for a quality gfe with a very pretty blonde.
