The Story:

Wonderful experience with a very sexy lady, made me feel welcome & relaxed with a drink and chat before getting down to business. Full on kissing (which I really enjoyed) whilst slowly undressing & caressing each other. On the bed for a very sexy massage which included Amanda performing dt oral which was unbelievable! ! then it was my turn to perform oral on Amanda & she has a very lick able pussy she was enjoying the experience & with the help of a couple of fingers I managed to get her to orgasm. Time for the condom to go on & we started with doggy style which gave me a great view of Amandas fantastic ass;-) during which a little light spanking was great fully received. We finished with Amanda getting on top & boy those breasts!! It goes without saying that I couldn't last as long as I wanted to as Amanda was giving me a good fucking which left me breathless. After getting dressed we said our goodbyes with me stating that I would be back for more! Well worth a visit & I will definitely be visiting again. Thanks Amanda xx
