The Premises:

Well known massage parlour in Leicester with back entrance. Had the VIP room as it has bed in not just massage tables as in the other rooms

The Lady:

I can only describe Natasha as gorgeous absolutely stunning looking nice tits great body.

The Story:

Waited in the room for Natasha to come into the room when she came in she was polite and asked if I wanted a massage and I replied yes. So I got on the bed and Natasha started massaging me with her clothes still on we had some nice little of polite conversation. Then the massage started getting a little bit more interesting as Natasha started tickling my balls as she massaged me some more then I got invited to turn over and she also got naked. Then we started kissing no tongues but nice gentle kissing. Then offered a blow job to which I agreed and on went the condom nice technique and also some nice eye contact every now and again which was a real turn on. Then went onto the main event which was completed doggy style I didn't last as long as wanted but watching myself in mirrors banging at Natasha's ass was to much to keep me under control. Then it was a lovely touch we had a relaxing kiss and cuddle afterwards with a lovely chat. Then we cleaned up and saided I goodbyes but I will return as Natasha was great and hoping with more visits they will be even better meetings.
