The Lady:

Slender beauty, the pics don't lie she really is that sexy. And her arse my good i could squeeze it for days.

The Story:

I had the honor of being Tatiana's first client and my god was it wonderful. We she came into the room i was a tad nervous as i normally am when i first meet a new woman, she told me sit down and we talked for a moment to calm me down. Sorted out the paper and then down to business. I don't like talking about what me and a lady do privately (to that extent this is my first review) but i will this much, she was both the greatest kisser and sex parter i have had the honor of being with.

10/10

will definatly be back to see her again.
