The Premises:

Pleasant, nondescript terrace house with door opened soon after knocking. Bathroom available for shower.

The Lady:

Mature lady with a good slim figure for her age with soft but nice breasts and long legs. Pleasing face as well.

The Story:

I wasn't very pushy with the services I wanted and had actually forgotten she listed owo and cim in her profile text and I am slightly surprised they are.

Declined a massage and had a cuddle and fondle before condom put on and oral while I let my hands wander onto her breasts and bum with slight touching of her shaven pussy.

Alternated between mish and doggie in sex and while Leila lubed herself, there was still a feeling of her tightening at times in a satisfying way.

Opted to finish with hand job and as this went on a while, I had opportunity to let my fingers play with her pussy,

I had occasionally during the activities looked to plant light kisses on her lips and these were all accepted although, as with most things, I don't think pushing my luck further would have been appreciated in a half hour punt.

Overall a pleasant time with a mature lady but with a neat figure and I enjoyed the overall experience.
