### The Lady:

### The Story:

Tasha was dressed in fetching pink basque with her hair down as requested.

We go the finances out of the way.

This was an oral only session with fingering, reverse O, owo, cim and swallow/snowball.

She has a lovely tight and small lipped cunt, which I licked and fingered (two fingers).

I then laid back and she went down onto my stiff cock. Her cock sucking was good, with lots of hand and then mouth only action.

She took me deep and then just my head in her mouth.

When I came, it was quite forceful, but she swallowed all my spunk and carried on wanking me.

We had a quick kiss, but as she had swallowed my spunk, there was only a background taste.

I felt a little rushed, but she said that she was nervous and would take more time next time.

I think a fuck is order at our next meeting!
