The Premises:

Liverpool Street. Another one of those stations that I have difficulty finding my bearings when I come out of. Jade's apartment is in an anonymous looking block of flats. The block itself once inside is a bit of a rabbit warren.

The Lady:

Jade is everything that her reviews say is, except her age. My guess is that she is about 30 which is still a good deal younger than me. Jade is a beautiful person both inside and out and at the end I just wanted to stay and talk to her all day and look at her admiringly. She has lovely, smooth silky skin that is a joy to touch and soft, tender kissable lips. Looks wise she reminded me of Mathilde May.

The Story:

I have followed Jade's fortunes for a couple years but until now have never had the chance to meet her. I was always thwarted by her schedule at HOD cos she was always working at locations and times that were not opportune to me. When she transferred to One2O trekking out to deepest darkest Hertfordshire when was a complete non-starter. I have read with envy the reviews of those who had borne testimony to THAT fabulous bubble butt.

Jade greeted me in a lovely short dress and shook my hand and introduced herself. We chatted for a minute or two as I confessed that I have been stalking her via the internet for around two years now before Jade interrupted me with a peck on the lips.

I informed Jade that I wanted to worship her bum so she asked me to sit on the bed and rubbed my face in it. Then she got on all fours and I knelt beside her kissing her bum and slapping it with my cock. I asked Jade to crawl about the room on her hands and knees. She complied by sticking her bum in the air and I showed my enjoyment by wanking my cock. Next Jade licked the shaft of my cock and played with my nipples before climbing on all fours onto the bed and invited me to lick her pussy. I asked her to sit on my face and ate her pussy till she came and continued eating her out till she could stand it no longer. Finally it was on with the condom. I was just getting into my stride when she pointed at her watch and informed my time was up but that she was allowing me an extra five minutes before urging me to give her a good fucking. Next time I am pushing the boat out. Jade is so wonderful I need an hour with her and will be back for more cos I can't get her derriere out of my head.
