The Story:

Lovely chatty lady. Puts you at ease straight away. Jet is a lady who is really interested in what you want and very versatile too. Had detailed phone chat about my needs and boy did she deliver the next day. French kissing, sex oral and w/s all followed.

This was a very high activity session that left me breathless. Jet tries to pack in as much as she can during the time that you have.

Afterwards I showered and we chatted- she is very bright, funny and interested in you. We talked about the next session.

She tells me she will come south soon, nearer me. It cannot come too soon! Just a reminder babe...
