The Story:

tatiana came into the room and was in a very happy mood and we were soon into dfk just did paperwork and back to more dfk as i began to feel that tight sexy bum, sat down on the chair and tatiana knew that was time for her to suck my nice hard cock great eye contact and i spoke to her and she obeyed me to the letter as i told her to go deep and hold me deep. wonderfull such a good girl dont use your hands baby just your mouth this went on and on wow such passion in her manner now onto 69 and this was so intense for both of us my mouth just flowed in moist pussy juice fantastic but time was not on my side so on with the hood and tatiana sliding down on to me and again i asked her to go nice and slow as i did not want to blow just yet, god i enjoyed this so much and always plenty of dfk finaly i mounted tatiana and just went for it sucking her wet tongue and pumping away to a great completion fantastic yes i shall return very soon thanks darling tatiana xxxx andy
