The Premises:

Typical flat in a block just north of Notts city centre. easy to find but parking in the side streets is not easy to find, allow time for this

The Lady:

Slim, sexy blonde, wearing just a nice underwear set with hold-ups and heels. Very much as her profile description. Calm and friendly.

The Story:

These days I have to use a pump for sex and I contacted Katy beforehand to check that was OK for her, she answered everything promptly. When I arrived I was let in by a friend and shown to her small bedroom where Katy was waiting. My initial reaction was wow, stunning, really athletic bod and big enhanced rack, very sexy.

We started with a light massage, more stroking really and gradually got more intimate with gentle french kissing before I went down on her for a quite long oral session which she clearly enjoyed, before I pumped myself up and after some excellent oral from Katy, mounted her from behind for some nice doggy until I reached a very satisfactory climax. I need time after to get the control ring back off and we chatted happily until it was time to leave.

Katy is a very experienced girl who I discovered worked in one or two parlours in the region and might be considered a career working girl, probably explains why she was so calm with me. No clock watcher, there was not one in the room, and given the fit condition she's in with her experience I think she would give a more capable guy than I am these days, a very thorough servicing.

I hope to go back though with my reduced opportunities it might be a while.

Highly recommended
