### The Premises:

Used the place back in the day when it was HOD but its tidy, quiet and easy to park.  
Spotlessly clean inside.

### The Lady:

Jess has long hair and is quite elegant. She has a decent attitude and her massage is exquisite.  
Firm hands and body and very gorgeous face.

We didnt talk much, I let her lead the experience

### The Story:

First time at ego - was working away and struggling with stress so decided to pop along and get some much needed stress relief!

Having looked at the three girls available i was not fussed which one was available and quite honestly I'll go there every week now because the massage was awesome.

Whilst face down I just forgot about everything and let her massage me, towards 25 mins I felt my scrotom being tickled and it caused me to wake with passion, turned over the full body to body massage woke up the mini-me and after a fantastic B@B frontal assault on me and my senses I was as erect as I could be, it didnt take that long for a climax but Jess let me hold her whilst she got me to erupt. Thinking about it all now makes me want to go straight back!

I'll definitely go more regularly and next time try the 4 hand massage as well as Jess alone.

Lovely girl - Thank you! ;0)
